Li Jiang, Yunnan Province, China - David was last heard from via email on August 10 in Li Jiang, Yunnan Province, People's Republic of China. It is believed that he was to take a bus to Tiger Leaping Gorge and sightsee near to the Tibetan border later that day. Sneddon was to fly to Seoul, Korea on August 25 en route to the USA on August 28.

Sneddon is a bright, benign Brigham Young University student who speaks Korean and traveled to Beijing to improve his Mandarin. In addition to studying Chinese, David worked for MultiLing Corporation, an international translation firm, as a part-time sales representative for Korea and North American customers. Sneddon is described as being a white male with hazel eyes, brown hair with a dark spot on the back, center of his head, 5 feet 9 inches tall, and weighing approximately 150 pounds. He also may be wearing glasses.

Anyone with information regarding the whereabouts of David Sneddon are requested to contact the Chinese authorities or the U.S. Embassy at (86-10) 6532-3431, x5137 or send an email to finddavid@multiling.com.
